## SESSION CONTINUES IN COURT

FURTHER SESSION OF CIRCUIT  
COURT HELD YESTERDAY AND  
CASES TRIED ARE NOT VERY  
NUMEROUS.

Judge McBride handed down the fol-  
lowing decisions in the circuit court  
yesterday: E. T. Stafford vs. D. F.  
Stafford, sale confirmed. Ollie C. Mc-  
Kay vs. William C. McKay, decree of  
divorce granted on grounds of desertion.  
The application of Edward Storm, an  
alien, to become a citizen of the United  
States was continued till September  
17th. In the afternoon the case of R. E.  
Carruthers vs. George H. George et al  
came before C. E. Runyon as referee for  
the hearing of testimony. The action  
arose out of an attempt made by the  
schooner Jessie at deep-sea fishing some  
time ago.

## PERSONAL MENTION.

Wilt Madison is away from town pay-  
ing a visit to his former home at Inde-  
pendence.

Mrs. M. J. Pomeroy is a visitor at  
the home of her son, Sheriff M. R. Pome-  
roy. At present Mrs. Pomeroy is down  
from Rainier.

The Rev. C. L. Owen has arrived in  
the city. He will take up his work as  
pastor of the First Baptist Church im-  
mediately. Mr. Owen is accompanied by  
his family.

G. E. Pain, the cashier of the Colum-  
bia River Packers' Association, is down  
with an attack of measles, and is at  
home. This is considered rather a ser-  
ious complaint to attack a man who  
has reached maturity, but fortunately  
Mr. Pain's attack is not very severe.

A party consisting of W. F. McGregor,  
Aamus Brix, R. B. Dyer, S. S. Gordan,  
R. H. Jenkins, Chris Schmidt went to  
Young's River yesterday to visit Brem-  
ner's Logging Camp. A combination of  
business and pleasure instigated the

journey—but it is reported that the fish  
are biting "fine" just now.

J. D. Berkman, a business man of  
Seattle is a guest at the Parker House.

D. H. Clark of St. Agor, Cal., arrived  
in the city yesterday.

Mrs. C. R. Rarick of San Francisco  
is a visitor in Astoria.

C. H. Wheeler Jr., came in yesterday  
from Nehalem.

H. Going is down from Portland do-  
ing business in Astoria.

P. L. Toon is in the city from Aber-  
deen and is registered at the Parker  
House.

Mr. Bittle, who represents the West-  
ern Drygoods Company is staying at  
the Occident.

Frank Patton who went to Portland  
and represented W. F. McGregor at the  
meeting of loggers there yesterday was  
expected to return last night.

L. Mansur was up from his Cannon  
Beach place yesterday and reports  
everything in the finest form down  
there. He is now in the midst of haying  
and is harvesting a good crop.

J. H. Bowlsby's brother visited him  
in the city jail yesterday, where Bowls-  
by is still confined pending his trial for  
the slaying of Cleve Jennings. His  
brother came up from San Francisco.

Henry Hoeck, who has a big logging  
contract for the Simpson Logging Com-  
pany at North Bend, paid a visit to the  
city yesterday. Mr. Hoeck has now  
gone to Portland.

Walt Ingalls was in from the Lewis  
& Clark yesterday. He says this is the  
best season he has seen for the farmers  
for years as the weather has been just  
right and everything is in a flourishing  
condition. He expects to begin haying  
right after the Fourth.

Judge Dean Blanchard was in the city  
yesterday. He reports everything pros-  
perous at Rainier and that he is selling  
considerable property. Lots which a few  
years ago he tried to sell for \$200 are  
now selling for \$1000. Rainier is rap-  
idly coming to the front as one of the  
most prosperous towns between Astoria  
and Portland.

If you will make inquiry it will be a  
revelation to you how many succumb to  
kidney or bladder troubles in one form  
or another. If the patient is not beyond  
medical aid, Foley's Kidney Cure will  
cure. It never disappoints. T. F. Laur-  
in, Owl Drug Store.

## The Waldorf Theater.

The program which Manager Wise  
has prepared for his patrons this week  
is way and above anything that has  
ever been seen in Astoria for the un-  
heard of price of 10 cents. The bill in-  
cludes almost any kind of an act that  
a theater-goer could wish for, all in  
one performance, Miss Virginia Hayden  
and her magnificent baritone voice  
causes her listeners to wonder where  
all the melody comes from, nothing of  
the sort has ever been witnessed in  
Astoria and Manager Wise can consider  
himself very fortunate to secure one of  
the few female baritones in the coun-  
try. She is ably seconded by Miss  
Helen Bushnell and Miss Alexandria  
Marakoff, the Russian balladist. The  
two teams, Deming and Brogan, and  
Norwood and Norwood, each team does  
a different stunt and they are both good.

month, delivered by carrier.

If a man knows anything of his own  
anatomy he must be aware that his  
stomach is a magnificent organ and  
entitled to the utmost consideration;  
knowing that he will eat at the Palace  
when he can conserve its safety and  
comfort, by eating only the best  
cooked, best served and most compen-  
sating meal in the city of Astoria.  
day, or night, it is always the same,  
and the Palace habit is one that pays  
to acquire. Arthur Smith is a mas-  
ter of the art of preparation and ser-  
vice, of all things edible.

work with. Hart's drug store have  
just received a fresh supply of films  
and film-packs, so get in the game  
and do it right.

## For The Little People.

Every parent in this city should in-  
vestigate, at once, the new and ap-  
preciable shoe for the youngsters, at  
Charles V. Brown's Commercial street  
house. They are called the "E. C.  
Scuffer" and are the very epitome of  
good wear and real comfort. They  
are going like wild-fire and the kids  
themselves are after them because  
they look so "comfy."
